Ref. 29.101

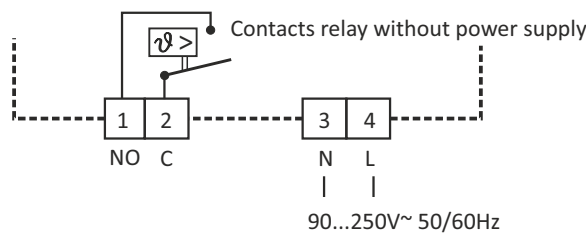

Siesta 105 WiFi RF

211,05€

Digital electronic ink thermostat, heating / cooling, programmable, No wiring, relay, programming and keyboard lock from App. Measures 105x105x40mm and 105x105x40mm. Without power supply 230V to thermostat. Optional Black stand Code 8.024

Ref. 29.102

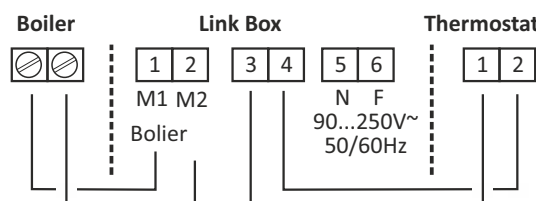

Siesta 105 WiFi Modulante

168,00€

Digital electronic ink thermostat, Heating only, programmable, assembly on wall, modulating action. PID, programming and keyboard lock from the App. Measures 105x105x40mm and 76x76x30mm. Without 230V power supply to thermostat. DHW control

Ref. 29.109

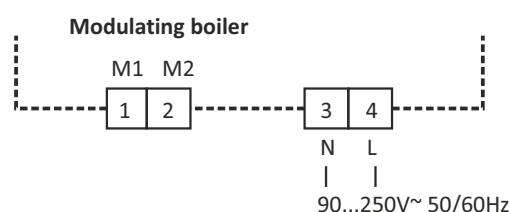

Siesta 105 WiFi Modulante RF

211,05€

Digital electronic ink thermostat, heating only, programmable, no wiring required, modulating action. PID, programming and keyboard lock from App. Measures 105x105x40mm. Without power supply 230V to thermostat. DHW control. Optional black base Peana code 8.024

Ref. 29.110

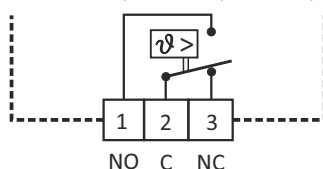

Siesta-TA ECO

45,89€

Digital thermostat only Heating at 2 wires, 8A relay, powered by batteries, selector stop/confort/economy. New big display

Ref. 29.066

Contacts relay without power supply

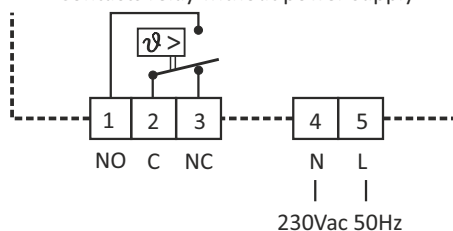

Siesta-TA ECO RF

98,96€

Digital radio thermostat heating only. Battery-powered transmitter, 230Vac receiver and 16A potential-free relay, switched. Optional base (Peana code 4.965) not included. New big display

Ref. 29.064

Contacts relay without power supply

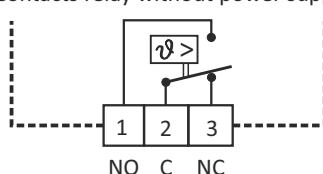

Siesta-CRXE

53,38€

Diary and week programmer, only for heating, Cortex technology, 8A relay, powered by batteries. Program by 5+2days o 7 days week

Ref. 29.067

Contacts relay without power supply

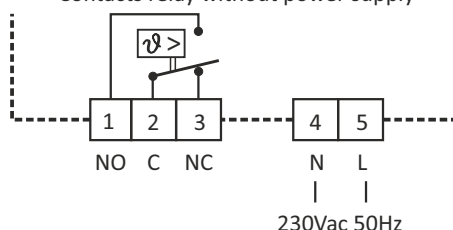

Siesta-CRXE RF

119,44€

Daily and week radio chronothermostat at 866Mhz, wireless. Keyboard and program blocked by PASSword, emitter powered by battery, receiver at 230Vac and SPDT 16A relay. Heating only. Use 5+2 o 7 days block programming. Peana base (code 4.965) not included

Ref. 29.060

Contacts relay without power supply

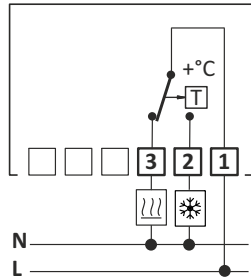

TA 3002

18,10€

Mechanical thermostat at 2 wires for heating (15A)/ cooling. Packs 15 pieces for Distributor. From only 1pc to be sold by OnLine Shop

Ref. 10.095

 Carga Calefacción
Heating Load

 Carga Refrigeración
Cooling Load

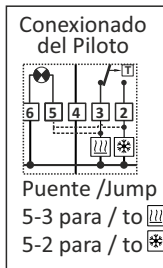

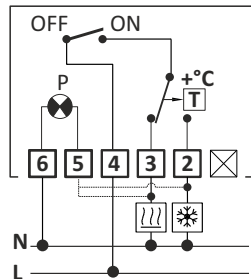

TA 3007

24,10€

Mechanical thermostat with on/off switch, light. Heating (10A) / cooling. Packs of 15pcs for Distributor. From 1 pc to be sold by OnLine Shop

Ref. 10.096

 Carga Calefacción
Heating Load

 Carga Refrigeración
Cooling Load

 Luz Piloto
Lead

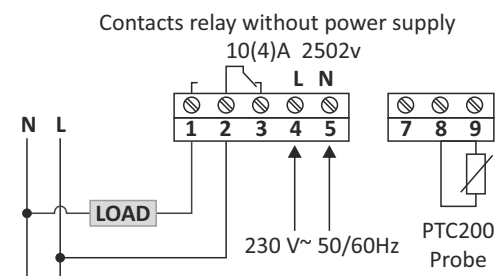

ECS 57

76,76€

Surface thermostat 1 probe and 1 relay at 230V~. Heating / cooling, 10A relay, 1.5m PTC2000 probe included, extendable up to 100m. With PIN lock. Range -40° to +140°C

Ref. 26.129

LTH-6

99,50€

Smoke Temperature Limiter, Pirostato, electronic, thermometer and adjustable thermostat 200 to 240°C. It includes PT1000 probe of 3m high temperature and steel sheath with plate. Compliant with the OBLIGED COMPLIANCE standard in boilers over 70 KW

Ref. 23.005
